Save the environment

For us it is important to save natural resources and to conserve energy. Therefore we ask you not to leave the air conditioning on whilst you are out. In order to cool the house down, ensure that the windows are closed. To speed up the process, press the button with the Popeye-Man on it.

We will bring you fresh towels / toilet paper regularly, and the house will be cleaned once a week.

Water is a very precious gift, especially on our beautiful island. Please use it with care!

Please help us to keep the bedsheets and towels clean. Make sure to leave no sun creme marks on fabrics! It is not removable.

For stained fabrics we have to charge you.

Thank you for your help and understanding!

Family Boonya

The owner, Nin, is born here on the property. Together with his Swiss wife, Laila, he opened Boonya Swiss Home in Summer 2019.

All houses are non smoking unites. Please smoke on your balcony, ashtrays are available.
